Note (1) . The totals indicated in this column represent the total number of incidents associated with each misconduct type. Incidents often contain multiple occurrences of misconduct types. For example, an incident may involve a fight and a possession of a weapon. Therefore a sum of this column will generally exceed the total number of unique incidents recorded for a reporting entity.

Where School Year (SY) 2003-2004 data is used to provide comparisons to SY 2004-2005, the SY 2003-2004 data includes all reported incidents. Prior summary reports did not include all incident data.
